This permit is issued subject to all prior rights on the source and especially subject to the provisions set forth by the State Engineer in his official ruling under Application No. 10425 dated January 11, 1941, which are as follows:-

1. Said permit will be subject to all prior rights on the source and specifically subject to whatever rights may be vested in Roy A. Judd for irrigation purposes and the Southern Pacific Land Company for stockwatering purposes.
2. That the permittee under this application can only divert water from the source when it is evident in the opinion of the State Engineer that there is water in excess of the amount necessary to satisfy any vested rights of Roy A. Judd.
3. That the permit grants the permittee no right of way privileges.

A substantial weir must be installed and maintained to facilitate the measurement of water. The State reserves the right to regulate the use of the water herein granted at any and all times.
